

When I first came to Wyoming Baptist Church, I felt God telling me clearly that the beginnings of this journey should be shared with all. To me, in my faith, the Baptist pillar of “**the priesthood of believers**” is one that should be treasured because it encourages us to see each other (and ourselves) as potential revealers of Christ. And so encouraging people to take part in this vision, I asked the congregation to submit to me their favourite Bible verses along with a snapshot of why it was important to them, with the purpose that I would collate them and preach through them. You will see inside there was a plethora of responses, which is a blessing in of itself, but for me as a preacher who believes we all carry something of the light of Jesus in our lives which is to be shared, it was a joy to see this collection of testimonies making up a whole. In this new season of ministry we will see ourselves, each other, and I believe, we will see Jesus too.

May the vision of God and the sight of Christ lead you in the way of the Spirit.

SERMONS OF THE PEOPLE

Beginning Together
by Finding Christ in
Each Other...

“Sermons of the People” is an attempt to gather together our individual visions of Christ to make a collaborative whole - a place where we hear our Lord speak through us and His Word.

Keep an eye out for the verse that you picked in the order contained here. And if you didn't pick one, why not consider - would you have chosen one of those here or a different one? Why? Be aware that what is being revealed is coming from the heart of Christ that already exists in our Church and community. Note where requests are repeated.

Why not consider inviting someone along to hear a sermon that you are looking forward to, or to hear the message based on the word you submitted?

I would love to hear what you thought of any of the sermons, but particularly your chosen one. Did it reveal something new? Did it rekindle something old? Or did it maybe stir you to re-ignite something that had been lost?

You can find our previous sermons on the Wyoming Baptist Church Ontario YouTube.

THE SERIES BREAKDOWN

Below are the Bible Verses received - it looks like most people currently attending WBC have submitted, thank you all so much. We will progress through these verses generally in Biblical order, with some detours on special days like Easter and Christmas, but the variety and number of submissions means that this series should take us most of the rest of this year. I will at times merge a couple together into one sermon where the text allows, but I hope you will feel I honour each submission with careful attention and prayer.
